Colleges or Universities Attended:

Use this appeal process to explain your academic journey that brought you to consider DCCC. While the primary focus is on academic achievement we understand there may have been reasons to change schools. If there were extenuating circumstances that contributed to a lack of academic progress this is also an opportunity to explain. All students must follow the instructions listed below (incomplete appeals will not be considered).

1. Access your financial aid history at <http://studentaid.gov> using your FSA ID.
2. List all institutions attended chronologically where federal student aid was received during the four year review period including dates of attendance (2016-17, 2017-18, 2018-19, and 2019-20).
3. Provide official academic transcripts from each of the institutions listed below.
4. Explain the circumstances including dates that correspond with your discontinued enrollment on the next page.

Name of College or University	Academic Review Period	Dates Attended (MM/YY – MM/YY)	Academic Credit Earned	Date Transcript Requested

- The Financial Aid Office will provide notification to your College email account with the result of our review.
- The appeal may take up to 30 days once all transcripts have been received.
- The student remains responsible for all costs at DCCC until the review is completed.
- Granted appeals are subject to institutional satisfactory academic progress (SAP) standards and will be effective for the current/upcoming term and are NOT retroactive.
- Denied appeals result with terminated aid and no further federal student aid (including student loans) will be available for enrollment. Students are referred to the full SAP policy (available online) for conditions of Reinstatement of Financial Aid.
