CAMPUS SAFETY AND EMERGENCY PLANNING

POLICY 2.1.2

The College is committed to providing the best possible education for all its students and a good working environment for all its employees. In striving to achieve this goal, it is important to appropriately plan for the safety and security of all those in the College community. All College employees and students are responsible for making safety a priority, preventing and/or reporting safety concerns, and continuously practicing safety while performing any work or using any College facility.

To this end, the Board hereby authorizes the President to develop [campus safety and emergency plans](#) to deal with safety and/or other emergency situations that could arise at the College.

Students, employees and visitors may also find additional information on campus safety and emergency planning on the College's website.
