

## 2021 – 2022 Cost of Attendance

The Cost of Attendance is the estimated cost to attend Davidson-Davie for the academic year. This estimate includes tuition, fees, room and board, books and supplies, transportation expenses, personal expenses, and student loan fees. It is important to remember the Cost of Attendance is an estimate and costs could vary depending on individual spending habits for items not directly billed by Davidson-Davie (e.g. housing, transportation, etc.). The Cost of Attendance also represents the maximum amount of financial aid a student can receive, including grants, student and parent loans, work-study, and scholarships.

The following tables represent the different Cost of Attendances for full-time students enrolled in curriculum programs at Davidson-Davie. It is based upon the student's residency, dependency status as determined by the Free Application for Federal Student Aid (FAFSA), and their housing plans. It is not representative of a student's actual bill from the college. Students enrolled less than full-time will have their Cost of Attendance reduced in accordance with their enrollment. Specific academic programs, such as health and automotive, may have their Cost of Attendance increased to accommodate the higher costs associated with each program. Please note that for the 2021 – 2022 academic year, all student fees have been waived.
