Message to students receiving funding from DCCC President Dr. Darrin L. Hartness:

Due to the COVID-19 (coronavirus) pandemic, DCCC has received emergency financial aid grant funds through the Coronavirus Aid, Relief, and Economic Security (CARES) Act from the U.S. Department of Education. This funding has been given to DCCC so that we can assist Title IV eligible students who experienced disruption and incurred expenses due to the pandemic.

You have been identified as a student eligible to receive these emergency financial aid grant funds to assist you with expenses related to food, housing, course materials, technology, health care, and childcare as a result of the coronavirus. The amount a student receives is prorated based on course load (or credit hours enrolled) and the length of enrollment in courses after DCCC's schedule was impacted by COVID-19.

We expect these funds to be disbursed to you by the end of May based on the selection you made through the RefundSelect program. If you did not choose a method, your refund will be issued in the form of a paper check. You will receive an email or text from Heartland/ECSI when the refund has been finalized that will advise you of the amount and method of disbursement. Questions? businessoffice@davidsonccc.edu

We trust these funds will be used for the designated purposes and will help ease the burden as you've transitioned to online learning and experienced financial pressures.

Here at DCCC, we are so proud of the successes of our students and graduates, especially during this unusual Spring of 2020. We send you our best wishes for ongoing success on your educational and career pathways!
