This grant is intended to assist you with expenses such as tuition, food, housing, physical and mental health, books, transportation, personal expenses, childcare, and any emergency costs that may have arisen due to the pandemic and the amount is based on the number of credits you are enrolled in this spring.

The grant will be directly deposited in the checking or savings account you have designated with the Davidson-Davie Business Office to receive Financial Aid refunds. If you have not designated an account, a paper check will be mailed to your home address. You can confirm your address in StormTrac.

Message to students receiving emergency funding from Davidson-Davie Single Stop Office:

Greetings,

The Single Stop office is happy to announce that we have "limited" emergency funding available to all currently enrolled students. This funding covers any basic need a student may have, ranging from utility assistance to childcare assistance to possible car repairs. If you are interested in receiving this funding please complete our [Single Stop Basic Need Emergency Funding application](#).

Make note of the following:

- You do not have to be late or behind to receive the assistance, you just need to have a basic need.
- Since we have a limited amount of funds, funding is distributed on a first come first serve basis.
- We do not make direct payments to students for bills, repairs, or childcare etc. These types of payments are made directly to the provider.
- There is a maximum amount we are able to assist students with but that will be discussed individually with students who apply.

Thank you
