

**Davidson-Davie County Community College
& Central Piedmont Community College
Emergency Services College**

April 7th to 14th 2024

Davidson County Public Safety Association & Davidson-Davie County Community College

Since 1962 Davidson County Public Safety Association has been offering an annual Emergency Services College to better train our First Responders. This event trains approximately 400+ Firefighters and First Responders each year in order to provide a better service to our community. This year we are offering a sponsorship program to local businesses to sponsor one of the largest Emergency Services Colleges in North Carolina. This is an opportunity to display your company logo and support the educational needs for our Firefighters and Emergency First Responders. Any support is greatly appreciated and if you feel that you would like to see your company logo displayed on one of our shirts we offer the following levels of sponsorship.

Levels of sponsorship that are being offered:

\$100.00 – includes (1) booth space

To fill out Sponsor Form please scan QR Code or visit link below:
